Per Cynthia's email, payment of the attached invoices should bring us current with Printing Spot.

Cynthia - I have a Printing Spot invoice dated 5/16/16 for \$174.40 that doesn't seem to be included any where. Also, it would be best practice if you marked each invoice as "approved for payment" with your initials. That tells everyone that you received the invoiced services / goods.

I'm happy this seems done! Thank you all.
